WINS CAREERBUILDER/INAVERO'S BEST OF STAFFING® CLIENT AWARD
2nd CONSECUTIVE YEAR!

Award winners make up less than two percent of all staffing agencies in the U.S. and Canada who earned the Best of Staffing Award for service excellence.

DecisionPathHR®, a leading staffing agency specializing in custom recruiting solutions, announced today they have won [Inavero's Best of Staffing® Client Award](#) for the second year, providing superior service to their clients. Presented in partnership with CareerBuilder, Inavero's Best of Staffing Client winners have proven to be industry leaders in service quality based completely on the ratings given to them by their clients. On average, clients of winning agencies are nearly three times as likely to be completely satisfied with the services provided compared to those working with non-winning agencies.

"We are very honored to have been recognized with this reward for the 2nd consecutive year. We've just completed our 3rd full year in business and I believe this says volumes for our "go to" market strategy; in hiring mature industry professionals, truly listening to our clients, customizing our recruiting strategy and taking the time for face to face meetings with our associates.

Technology is wonderful and we embrace the latest tools offered in the global human capital industry, but it can't replace the need for face to face interaction with our clients and associates in order to match personalities and skill sets. "
